P.T.O.

GREEN TIP HELP BEES- DON'T MOW THE LAWN!

Look at your neighbours joyfully murdering the life out of their garden again! They won't sleep soundly until they have lopped the head off every buttercup, daisy and bee friendly dandelion. What would an eco-warrior do? Absolutely nothing. Pull up a chair, grab a mug of tea and watch the grass grow - leaving even part of your garden to grow wild can help pollinating insects, like bees, thrive!

CLIMATE CHANGE & WAR

Sophie Franklin (one of our members) has written a very interesting article on the above which has been photocopied and put in the Link for your information. Please take a copy,

SUMMER FETE - We are now making plans for the Summer Fete on **13TH JULY** so please collect any suitable items for the following stalls – books and jigsaws, crafts, **** jewellery****, new unwanted items (not bric a brac, please) and tombola. On the day we would appreciate donation of cakes, scones and biscuits. If you are able to help for an hour or two on the day please add your name to the list in the Vestibule. We shall not be doing lunches but serving “extras” with coffee.

****Jewellery Stall** – if anyone has any suitable boxes or items to display jewellery please can you pass to Jean or any of the Stewards. We have lots of jewellery thanks to Audrey Simpson.
